EXPERIMENTING WITH ‘SEARCH’

Simple Search or Advanced Search?
Try Simple first.
When using Advanced, use the drop-downs:
Try changing Any to in subject.
Try changing contains.
Use AND, OR and NOT to include and exclude terms.
Use Publication date, Material Type and Language if appropriate.

Filters or Facets
For articles, use Peer-reviewed Journals
Change the Publication Date to the last few years

Subject
Keep your search simple (just a few words), then use Subject>More options to narrow your search

Books
Click Books in the Resource Type filter.
Click on Full text Online if you just want eBooks or Available in the Library if you want a physical book
